RE: Dean Bessire

To Whom It May Concern:

As a business owner, I just wanted to let you know that your staff at Meadow View Manor has been trained very well.

When visiting my Dad for the first time last week, we were treated very politely and EVERYONE was very helpful and friendly.

My Dad also commented several times during the visit how well he was treated by your staff.

Again, I just wanted to say thanks.

Sincerely,

R. C. Bessire
