*Short-Term Stay Rehabilitation*

# The Best Choice

Nestled in the heart of wine country, Napa Valley Care Center offers compassionate, short-term rehabilitation and skilled nursing in a supportive and caring environment.

At Napa Valley Care Center we aim to provide individualized care plans that go beyond tending to physical needs alone. Our professional staff focuses on wellness within by caring for the whole person—physically, mentally and spiritually. Our emphasis is always on helping residents achieve the healthy life they deserve while promoting the highest level of independence.

## Premier In-Patient Rehabilitation

Whether your stay with us is for a few prescribed days following surgery or for a more indefinite time frame, our team of therapy experts understands that everyone needs a personalized care plan. We take time to make sure each therapist and patient are perfectly matched in regards to individual personalities and style.

We believe that with advanced reporting tools and modern technology, patients will experience a more seamless delivery of rehabilitation services, leading to the best possible rehabilitation outcome.

After each successful recovery, we provide complete discharge planning including:

- Advanced home evaluation to determine overall safety
- Set up of any required medical equipment
- Review of prescribed medications and therapies

## Our family takes care of your family

At Napa Valley Care Center we treat every guest and resident like a cherished family member. Learning what makes you happy and feel at your best is important to us.

We invite you to explore our wide array of activities, classes and outings our staff prepares each month. From daily stretching and fitness classes to programs designed to encourage

interaction and mental stimulation, we strive to make every day spent at Napa Valley Care Center the best it can be.

## Words from our valued guests and their families...

"I want to thank the individuals at Napa Valley Care Center for their dedication, kindness and time they gave to my father as well as what they gave to me ..." **T.P.**

"I cannot begin to express to you my gratitude and caring for all of your wonderful staff. I came here a stranger and I will leave with a whole lot of new friends. It didn't matter how late I was getting ready for bed, you were always there. Thank you for your caring. I know this is not an easy job, but you pulled it off with dignity and grace." **C.F.**

"Just a note to say thank you for your thoughtfulness and great care your facility provided for my father. We have been very happy and satisfied with the level of care he has been receiving." **F.F.**
